

Dr. Rakesh Krishan Gupta
Professor & Head Member Dental Council of India
3a from Jammu and Kashmir State
Jammu

In an age of information, that is driving in the world, it is imperative that all us of in the dental profession find a common platform to share information. There is inherent need for transparency and fundamental right to information for all fellow members of dental fraternity.

It gives me immense pleasure to know that Jammu & Kashmir State Dental Council is all set to get connected to digital world with the launching of website.

This website will make registration of dental professionals and dental clinics user friendly in our state. It will eliminate costly record keeping, enable you to renew your registration, apply for good standing certificates and CDE prints, without having to go to council office.

I extend my congratulatory note and sincere appreciation in particular to President Dr. Romesh Singh and Registrar Dr. Ritesh Gupta and also to all members of Jammu & Kashmir State Dental Council. I am confident that this will serve for betterment of dentistry and dental services in the state of Jammu & Kashmir.
